In order for an athlete to obtain points for the IJF Cadet Ranking List, her/his weight category should have participants from at least 2 different countries. If this is not the case, the competition can still be held, according to the organiser's decision. If, by the nominal deadline, there is only one country inscribed in any weight category, the organiser is obliged to inform immediately the National Federation concerned.

Due to Covid pandemic the allocation of WRL points is subject to approval by IJF. In any case, a European Ranking will be set up as basis for seeding at the European Cadet Championships
