Regulations for Referees 2018

EJU REFEREE RANKING SYSTEM

The ranking system for referees starts on 1st of January 2018 and finishes on 31st of December 2018. The current ranking list is published on the EJU homepage, individually as well as per National Federation.

The ranking will be made along all IJF events, European Judo Championships, European Judo Open and European Judo Cups.

NEW: In 2018, all European Judo Cups will be attended by the EJU Referee Commission.

The referees will receive points from 1 to 10 in decimal expressions (6.0, 6.1, 7.2, 7.6, etc...). To generate the ranking of referees, the points are summed up and divided by the number of attended tournaments. The referee with the highest average points is ranked as No 1, the referee with the second highest average points as No 2, and so forth. If several referees have the same score (equality), the referee with the higher number of events will have the higher ranking.

OFFICIATING REFEREES AT IJF EVENTS

For all IJF-events, World Championships, IJF Masters, Grand Slam and Grand Prix the referees will be nominated by the INTERNATIONAL JUDO FEDERATION (IJF).

Referees who are in the IJF circuit, are obliged to participate at least in one (1) European event during the year (European Open or European Cup).

Referees for World Championship Veterans should be nominated by the National Federations (NF) in agreement with the IJF Referee Director Veterans D. Ferland/CAN.

OFFICIATING REFEREES AT EUROPEAN JUDO CHAMPIONSHIPS

The referees for all European Judo Championships (Individual, Team, Clubs, Veterans) will be nominated by the EJU Refereeing Commission. Based on the ranking list, the EJU Refereeing Commission will choose the referees by name, who can take part at the different European Judo Championships.

Only referees who participated in at least 3 events with allocation of ranking points (EJU and IJF) can be candidate for nominations.

The ranking list from 2017 is used for nominations for individual/team championships.

The ranking list from 2018 is also used for nominations for events later in the year.

For Senior European Championships, 2 referees per country can be nominated.

The EJU Refereeing Commission will nominate at least 5 referees per mat for teams and 6 for individual championships.

The National Federations are in charge of all cost for nominated referees.

After the nomination of referees the NF should confirm the participation of the nominated referee to EJU Head Office (headoffice@eju.net). Further, NF must inscribe the referee in Judobase and make a hotel reservation with the organizer according to the outlines.
